By turning in this form, I am giving Protégé Performing Arts permission to order the costumes associated with the classes listed above. I understand that the costume(s) and recital fee I am purchasing are non-refundable and non-transferable. I also understand that the costume sizes are approximate and that if alterations need to be made, I am responsible for completing them before the mandatory Dress Rehearsal. I understand that I will need to purchase the appropriate shoes & tights for each routine.

PLEASE NOTE: Dancers must remain enrolled in their class the entire semester (through June 22) in order to participate in the recital. Dropping a class, even for just one month, will equate to dropping that recital routine as well.
